

# CNN English

【Date】 Day : Monday

Time : 18:30~20:10 (Evening)

Teacher	Susan 浦上
Class Overview	This upper intermediate level course aims to help students gain fluency, increase vocabulary and improve listening and speaking skills using articles from around the world featured in the CNN English Express magazine.
Class Format, Content, Objectives, etc.	Students will study the articles in the CNN English Express magazine through in-class listening and vocabulary activities. Students will also have the opportunity to share their thoughts and opinions in a relaxed setting through group discussions or short presentations.
Textbook	CNN English Express (2 issues)
«Reference» Expected level of learners' English	The class will be taught in English by a native speaker. This is an upper-intermediate level course, suitable for students who have a foundation of English and who wish to increase their vocabulary and improve their listening and speaking skills.
