

Advanced English（上級）

【Date】 Day : Thursday

Time : 18 : 30 ~ 20 : 10 (Evening)

Teacher	Joshua Dasey
Outline	Watching TV shows is a fun and effective way to improve your English. This course aims to help students increase their vocabulary and develop their listening and speaking skills using TV shows and other videos from around the world.
Contents, how to proceed, goals, etc.	<ul style="list-style-type: none"> * We will watch and go through the TV show scene by scene. * Students will answer questions in pairs and groups based on the content of the scene. * Students will learn new vocabulary, phrases, and idioms used in the scene. * Other activities (shadowing, fill in the blanks, discussion, skits etc) will be used to help students improve their listening and speaking skills. * TV shows and videos from different countries will be used to allow students to practice listening to different English accents. * Each class will begin with an interesting video such as a short news story.
Textbook	No textbook. Teacher handouts will be used in the class.
«Reference» Expected level of learners' English	This is an advanced course. Students should be prepared to watch TV shows in English with and without English subtitles.
